Free Taxes

Save Money and File Your Taxes for FREE!

Save, free and taxes aren't words usually seen in the same sentence. But millions of Americans will have an opportunity to safely file their federal and state taxes for free and save hundreds of dollars in tax preparer fees thanks to leading nonprofits and the Walmart Foundation.

Now in its fifth year, MyFreeTaxes.com continues to provide free tax preparation and filing assistance to eligible taxpayers earning \$57,000 or less. Powered by the Walmart Foundation in cooperation with Goodwill Industries International, National Disability Institute and United Way Worldwide, MyFreeTaxes offers taxpayers two ways to file both federal and state taxes for free with no tax preparation or filing fees. Taxpayers can file:

- Online at www.MyFreeTaxes.com for individuals and families with combined incomes of \$57,000 or less, with tax filing software provided by H&R Block®;
- In person in the community at:
 - More than 120 community-based Volunteer Income Tax Assistance (VITA) sites that serve individuals and families with combined incomes of \$50,000 or less;
 - 10 American Job Center regions (formerly One-Stop Career Centers) across the country, where on-site tax coaches will help individuals and families with incomes of \$57,000 or less file for free using MyFreeTaxes.com.

To find the nearest VITA site or American Job Center site, visit MyFreeTaxes.com or call toll free 1-855-My-Tx-Help (1-855-698-9435). FREE TAX FILING
